Ball Words is our new self-paced sight word program based on the Dolch Word Mastery Lists. Students have the opportunity to learn up to 220 words this year. That's 11 sets of 20 words. Each set of words is placed on a different type of ball or sports equipment. The first set of ball words are what we call Baseball Words. Students will work on this set until they can read them easily for me. (I encourage you to work with them at home.) When they have done this successfully, they receive a Baseball Word Champ Certificate and a new list of ball words to master.</p> <p>A Quick Note: Raffle tickets are on sale now thru Feb. 27th. Please help us make our goal.
